

WE COULDN'T DO IT WITHOUT YOU!

Thanks to the generosity of our local community, over the last 25 years Collegiate Peaks Anglers has raised or leveraged over \$650,000 spent largely in the Arkansas Valley. These funds were spent on projects promoting youth education, clean water, healthy habitat, angler access, aquatic education, and stream restoration incorporating over 42,000 volunteer hours. Assistance from local businesses and citizens is invaluable! Please patronize and thank these civic-minded businesses for their support.
